The totals for the inmate characteristics contained in this report represent the OCMS system data available for the respective categories on the date of the report. Differences between category totals are due to missing data on the information system. Information for inmates housed in local jails, pre-trial, and P&P home detention is not available.

Notes: Average sentence length is calculated based on total sentence length and does not include life sentences. Average length of stay reflects the average length of time served in the D.O.C. as of the date of the report. This figure is not based on releases and may include time served at more than one institution.
